- Introductions

- Purpose of meeting – update on membership with NSSED and review programming. NSSED continuing to look at membership fees and how they are structured. Nothing has been finalized as of yet. Julie Cooley sits on Finance Committee and things look promising to continue relationship with NSSED. Specifics would have to be approved by committees and boards.

- Julie talked about working with NSSED to manage ELS program and transition program through District 115. District hired consultant to help with the planning of transition program. Program will start in fall of 2012.

- Julie to meet with transition parents prior to Thanksgiving break to continue to update progress of teacher and supervisor search.

- Local day program for after transition program - A group of parents are looking for an option locally for students after age 22.

- High school update on program changes.

- Discussion about District’s Social/Emotional Wellness programs.

- Discussion of “eye to eye” project/partnership with Lake Forest College.
