STUDENT TEACHER RATIO 4 TO 1!!!

Hi! My name is Denise Murphy. I am a teaching tennis professional at the College Park Athletic Club, and the Girls Varsity Tennis Coach at Lake Forest High School. Some of my fondest memories as a child were forged on the tennis court in the summertime, where, at an early age, I came to love the game of tennis. The intention of my camp is to simply share my love and appreciation of tennis, a sport for life, with your child.

The program will focus on stroke fundamentals, footwork and agility with a strong emphasis on court awareness and etiquette. In addition, match play will be incorporated every day in the afternoon session. While I hope to stir the competitive juices in your child, particular attention will be paid to individual improvement and increased self – esteem.

Each year the camp donates approximately 30% of its proceeds to organizations in need of our help. This year all the proceeds raised will be donated to the House of Peace in North Chicago. The amount of money donated is determined by the “points” each child earns during skills tests and games. Through the children’s hard work, THEY are able to make a difference!! What a wonderful way for the kids to “give back”.

If you have been looking for the right opportunity to introduce your child to tennis, or just the right situation to further your child’s skill, love and appreciation... look no further!
