

# 2009 Lake Forest Boys' Golf Team

## Player Profile

Name: M. Garrity

Birthdate: Dec 13 1993

Year in School: Sophomore

Middle School: Deer Path

My favorite subject in school is Math.

My favorite golfer is Luke Donald because he is a member at my golf club.

My proudest golf accomplishment is shooting a 69 in a tournament.

The best course I've ever played is Shore Acres.

My most memorable golf round was when I met Bill Clinton and Michael Jordan before I teed off because it was really cool meeting a president.

The best advice I ever received was if you want to be good at something practice.

The best part of my golf game is my short game.

In the future I hope to be successful.

When I am not playing golf I am practicing studying or hanging out.

As a member of the LFHS Golf Team I hope to win a state championship.
