My favorite subject in school is history

My favorite golfer is Sergio Garcia because he hits the ball as good as anyone

My proudest golf accomplishment was shooting under par for the first time

The best course I have played is The Ocean Course in Kiawah Island

My most memorable golf round was the first day of state last year because I birdied my last two holes

The best advice I ever received was to not let your emotions get the best of things

The best part of my golf game is iron play

In the future I hope to graduate from college

When I am not playing golf I am hanging out with friends

As a member of the LFHS Team I hope to win a state championship
