

**Name-** A. Klavsons

**Birth date-** May 18<sup>th</sup> 1994

**Year in School-** Sophomore

**Middle School-** Black River Middle School

**My Favorite subject in school-** chemistry because my two BFFLS are in there: (my hero) Jack Hermes and Georgia "J.J." Waddle

**My favorite golfer is-** Jack Hermes because he taught me how to be exceptionally well at golf and because he is just so outstandingly resilient

**My proudest golf accomplishment-** when Jack Hermes showed me how to snap hook it down the 10<sup>th</sup> fairway to make birdie

**The best course I've ever played-** was either whistling straights or when me and Jack played an excellent match at Knollwood

**My most memorable golf round was-** when I shot 37 with Jack during a practice round at LB

**The best advice I ever received was-** when Jack Hermes said "go huge Klavsons"

**The best part of my golf game is-** my mellow attitude that keeps me in the game

**In the future I hope to-** get an apartment with jack and play big scramble tournaments and win lots of money

**When I am not playing golf I am-** with Jack Hermes playing NCAA 10', playing golf with jack, partying with jack, or with my best friend

**As a member of the LFHS Golf Team I hope to-** go to states with my buddy Jack Hermes and have a scoring average under a 39.99
