

# 2009 Lake Forest Boys' Golf Team

## Player Profile

Name: F. Meeks

Birthdate: 8/15/92

Year: Junior

Middle School: Deer Path

My favorite class is English

My favorite golfer is Phil Mickleson because we are both lefties and play a similar style of golf

My proudest golf accomplishment was coming in second in conference and the St. Viator invite last year

The best course I have ever played is Whistling Straights in Wisconsin, my favorite course is The Windsor Club in Florida

My most memorable round of golf was at Whistling Straights because it was so difficult and it is such a prestigious golf course

The best advice I have received is the quote "seize the day"

The best part of my golf game is my short irons and wedges, I feel like I have a very good chance at making a birdie any time I have a short iron into a green

Im not sure what I want to do in the future

When im not playing golf im with my friends, skiing, listening to music or with my family

As a member of the LFHS golf team I hope to help my team win a state championship
