

2009 Lake Forest Boys' Golf Team

Player Profile

Name: P. Skinner

Birthdate: 4-27-92

Year in school: Senior

Middle School: Lake Bluff Middle School

My favorite subject in school is Economics.

My favorite golfer is Phil Michelson because he is a short game master

My proudest golf accomplishment is shooting a 70 from the back tees at Lake Bluff

The best course that I have played is called, Andalusia. It is a private course in Palm Springs, California.

My most memorable golf round was at Countryside when I shot 72 in a tournament, because it was the first time I had shot par for 18 holes

The best advice I have ever received was “practice makes better, not perfect.”

The best part of my golf game is driving the golf ball

In the future I hope to get as good as my dad and become a successful businessman.

When I am not playing golf I am hanging out with my friends and family

As a member of the LFHS golf team I hope to have a good rest of the season
