

BOYS TRACK AND FIELD 2010

As team moms of Boys Track, we were following in the footsteps of one remarkable Team Mom, Kathy Buddell, and we knew the expectation bar was high. But we never knew the quality of parents of these wonderful boys, and how deep and wide was their interest to help in whatever way they could. Nor did we know we would receive such thoughtful gifts and notes from all. It's no wonder, then, that Kathy was very reticent to relinquish the main responsibility of coordinating this special team of parents. Kathy played an integral role in capturing the season in photos, and her talent was invaluable to us!

We feel truly honored to have been a part of the coordination of this team, and, in particular, of the positive experience we had with all of YOU, the team parents. We are very motivated to continue in this role for the 2010-2011 season!

Thank you, thank you 126 times (one for each boy) for your service, your donations, and most of all your support. We are very, very grateful.

We offer a special thank you to Kathy Buddell, who forged the path we followed and whose photo reminders of the essence of this season will hold the visual memories for all of us.

Most sincerely,

**Patty Charhut and Colleen von Ohlen
