HOLIDAY SCHEDULE
TENTATIVE DATES**

The following information is posted to help plan around the holidays.

Our program includes Thanksgiving and Christmas/Holiday Tournaments, and is a part of every high school basketball program.

By providing our holiday schedule in advance, it is our hope that it will help in planning your schedule around the holidays easier.

It is expected that all players be in attendance at practices and games during the holidays.

Our monthly calendars, regarding practices, games and all team activities will be posted on our Girls Basketball Website by late September, early October.

Please check our website periodically for any information regarding our program.

Our site is updated on a regular basis.
