Code of Conduct

Philosophy

The Board of Education, Administration, Faculty, and Coaches of Lake Forest High School believe that our student-athletes represent our highest standards, including our core principles: responsibility/accountability, integrity, acceptance, and empathy. Participation in a sport enhances the overall high school experience and provides exceptional life-learning opportunities. Student-athletes should strive to obtain athletic, academic, and personal excellence.

The code of conduct specifically establishes high expectations and standards for all participating student-athletes. These expectations embody a total lifestyle approach with an emphasis on respect for self, others and property; loyalty to self, teammates, coaches and school; support for the ideals of true sportsmanship; and maturity to fully accept choices made and the consequences they carry.

The implementation and effectiveness of this code is dependent on a collective commitment from students, parents, and school personnel, along with a proactive approach to prevention and assistance. While we strive to win as often as we can, we are mindful that how we win or lose tells more about us than the final score.

Period and Scope

The Code applies to student conduct on and off campus, 24 hours a day, seven days a week, 365 days per year.

The Code record and consequences are cumulative, regardless of category, beginning with the student-athlete's and parent's initial signing of this code and continuing throughout the student-athlete's entire high school career.

If the percentage of the sport season remaining is less than the percentage of ineligibility stated for the violation, then the suspension will be extended to the student-athlete's next sport season.

Coaches cannot enforce more severe consequences for a violation covered under this code of conduct.

Athletic Code Violations

Athletics, an integral part of the total educational process, are a privilege. Insubordination, poor sportsmanship, anti-social behavior or violation of policies and rules is detrimental to the individual, team, and school community. Upon a violation of this code, the student-athlete shall be provided oral or written notice of the Athletic Code Violation. The student-athlete needs to arrange a meeting with the Athletic Director and/or Assistant Athletic Director to discuss the athletic code violation, receive explanation of evidence, present his/her version of the incident, and receive the appropriate consequence.

Appeal Process

Any student-athlete that feels his/her rights have been violated may appeal the consequences.

The student-athlete must submit to the Principal or designee of District 115 a written rationale for the appeal within three (3) calendar days of the violation consequence. The Principal or designee will convene a committee which will uphold or deny the appeal within three (3) calendar days of receiving the appeal. This committee will consist of the Principal or designee, two (2) coaches, and two (2) student-athletes.

The student-athlete will remain under the violation consequence imposed and follow the provisions set throughout the appeal process.
