**RE: Lake Forest High School District #115
Asbestos Abatement Project – West Campus**

Dear Parents, Faculty, and Staff:

This letter is to notify you that an asbestos abatement project is scheduled to commence at West Campus Building during April and May 2008. The project will involve the removal of asbestos containing pipe fittings and mastic under floor tiles and carpeting.

This project has been designed to meet all applicable regulations by the Managing Environmental Consultant, Carnow, Conibear & Associates, Ltd. (CCA). The project will be completed by an Illinois Department of Public Health (IDPH) licensed abatement contractor, utilizing IDPH licensed workers. In addition, the project will be monitored at all times by an IDPH licensed project manager and air sampling professional.
