

LFHS OverDrive Digital Library: Audiobooks

Please follow these 4 easy installation steps at your HOME computer to get access to hundreds of Audiobooks!

STEP 1: INSTALLING THE FREE SOFTWARE: OverDrive Media Console ---- this has to be done before any books can be downloaded. Once the software is installed, you will not have to repeat this step ever again!

1. Go to the LFHS OverDrive Digital Library catalog: <http://lfhs.lib.overdrive.com> (also accessible from LFHS Library's homepage)
2. On the left-hand side, under the heading "Getting Started," you will see links for downloading the required software. For audiobooks, select and download "OverDrive Media Console."
3. Look for the icon on your desktop; this is proof of successful installation.
4. The first time you open Overdrive Media Console or download an audiobook, you may be prompted to complete a one-time security upgrade for Windows Media Player. Click "Tools" followed by "Windows Media Player Security Upgrade."
