

# LFHS OverDrive Digital Library: eBooks for Kindle users

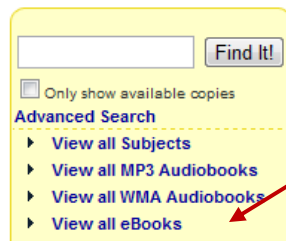

Please follow these 4 easy steps to check out eBooks from the LFHS OverDrive Digital Library to read on your Kindle or other device with a [Kindle Reading App](#) installed (available for iPhone, iPad, Android, BlackBerry, Windows Phone 7, PC, and Mac).

## **STEP 1: GETTING SET UP WITH KINDLE** (if you already have a Kindle device and/or Kindle account, proceed to **STEP 2**)

1. Go to the web address: <http://kindle.amazon.com/>
2. Click “download a FREE [Kindle Reading App](#)” to learn more about installing the app on your device)
3. Otherwise, click  to sign into an existing Amazon account or to set up a new one (Click “I am a new customer”)
4. Once logged into your Kindle account, note that you can do cool things like search for books and add them to different lists (Read, Reading, Hope to Read)

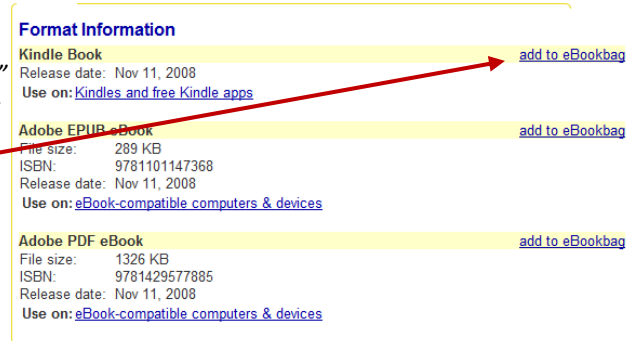

## **STEP 2: BROWSE AND CHECK OUT TITLES** from LFHS OVERDRIVE DIGITAL LIBRARY

1. Go to the LFHS OverDrive Digital Library catalog: <http://lfhs.lib.overdrive.com> (also accessible from LFHS Library’s homepage)
2. Browse or search the LFHS OverDrive Digital Library

**Note:** To see all eBooks available click “View all eBooks” on the left side of the page.

3. Find a title of interest and click on the title.  
**Note:** After clicking on the selection, under “Format Information” you can determine title availability and format (Kindle, ePUB, or Adobe PDF).
4. Add selections to your eBookbag next to “Kindle Book”  
**Note:** If a download is not available, you may place a hold. You’ll receive an email when the title is available for checkout.
5. Click on the “Proceed to Checkout” link and you will be given a link to log into the system: **Type in your student ID #**

## **STEP 3: DOWNLOAD TO YOUR KINDLE** or **KINDLE READING APP**

1. After confirming your checkout, click on the “Get for Kindle” button under each title and you will be redirected to Amazon.
2. Click  and then sign into your Amazon / Kindle account.
3. You will then be prompted to choose how you want Amazon to deliver your eBook. If you have a Kindle device, you should see the name of your Kindle in the dropdown menu. If you’re using a Kindle Reading App on another device (iPad, smartphone, PC, etc.), select the name of that device from the dropdown menu.

## **Step 4: SYNC YOUR KINDLE** OR **YOUR KINDLE READING APP**

1. Whether you’re using a Kindle device or a Kindle app, make sure you have internet connection and the title should sync automatically to your device from your Amazon account (if not, press “Sync”).
2. You can find your title(s) in the “Archived Items” folder. Click on it to “download it to Home,” open, and enjoy!
