

# LFHS DIGITAL LIBRARY

Please follow these 4 easy installation steps at your HOME computer to get access to over 800 audiobooks and ebooks!

**STEP 1: INSTALLING THE FREE SOFTWARE** ---- this has to be done before any books can be downloaded. Once the software is installed, you will not have to repeat this step ever again!

1. Go to the web address: <http://lfhs.lib.overdrive.com>
2. On the right-hand side, look for "Free Required Software"
  - \*\* For audiobooks, download "Overdrive Media Console".
  - \*\* For ebooks, please "Adobe Digital Edition" or Adobe Reader 6.0 or higher.
  - \*\* For mobipockets/palm pilots, download Mobipocket Reader.
3. Look for the icons on your desktop; this is proof of successful installation.

**Note:** Windows Operating System '98 or later is required

4. The first time you open Overdrive Media Console or download an audiobook, you will be prompted to complete a one-time security upgrade for Windows Media Player. This enables playback of copy-protected Window Media files.

## STEP 2: BROWSE AND CHECK OUT TITLES

1. Browse and search the LFHS Digital Library
2. Find a title of interest and click on the title.

**Note:** After clicking on the selection, under format information: you can determine title availability, format (audiobook, ebook, or mobipocket), description, and digital rights information.

3. Add selections to your cart

**Note:** If a download is not available, you may place a hold. You will receive an email when the title is available for checkout.

4. Click on the "Proceed to Checkout" link and enter your student id number.

**Note:** Your student id number is the username AND password.

## STEP 3: DOWNLOAD TO YOUR DESKTOP OR LAPTOP PC

1. Click on the "Download" button under each title to launch the software.
2. Select parts to download, then click "OK". The download will begin.

## Step 4: LISTEN TO YOUR AUDIOBOOK OR READ YOUR EBOOK

For Audiobooks:

1. Find the "Overdrive Media Console" icon on your desktop. Select it to find your chosen audio titles
2. Double-click the title you would like to listen to and enjoy!

For ebooks:

1. Find the "Adobe Digital Edition" icon on your desktop. Select it to find your chosen ebook titles.
2. Double-click on the title you would like to read and enjoy!

Once downloaded to the software, audiobooks can be enjoyed on your computer or transferred to a Pocket PC, PDA, Smartphone, or supported MP3 players. Many title can be burned to a CD, so you can listen to them on the way to school or drive to the beach!
