

LFHS DIGITAL LIBRARY

Please follow these 4 easy installation steps at your HOME computer to get access to hundreds of audiobooks and ebooks!

STEP 1: INSTALLING THE FREE SOFTWARE ---- this has to be done before any books can be downloaded. Once the software is installed, you will not have to repeat this step ever again!

1. Go to the web address: <http://lfhs.lib.overdrive.com>
2. On the left-hand side, under the heading "Getting Started," you will see links for downloading the required software:
 - ** For audiobooks, select and download "OverDrive Media Console."
 - ** For ebooks, please select "Adobe Digital Editions."
 - ** For mobipockets/palm pilots, download "Mobipocket Reader."
3. Look for the icons on your desktop; this is proof of successful installation.
4. The first time you open Overdrive Media Console or download an audiobook, you will be prompted to complete a one-time security upgrade for Windows Media Player. This enables playback of copy-protected Window Media files.
