

Lake Forest High School Semifinalists Named in the 2010 National Merit Scholarship Program

More than 1.4 million juniors in nearly 21,000 high schools entered the 2010 National Merit Program by taking the 2008 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), which served as an initial screen of program entrants. The names of approximately 16,000 Semifinalists were announced recently. These academically talented high school seniors have an opportunity to continue in the competition for some 8,200 Merit Scholarship awards.
