Board of Education

Board of Education - Meeting Highlights

April, 2007

President's Report

Janet Nelson announced that the Board has completed its self-evaluation and that they are working to complete the Board Goals. She thanked everyone involved with the construction project for their efforts. Janet reported that a Special Meeting was scheduled for April 16 to review bids. Janet, who will be retiring from the Board in May, thanked the community, staff, administration, students and her fellow Board members. Janet stated that it was an honor to represent the school and a privilege to work with the Board.

Superintendent's Report

Dr. Griffith thanked retiring Board members Janet Nelson and Mary Ritter for their years of dedicated service. He noted that a special recognition is being planned for May. After the canvassing of votes, new Board members, Nicki Snoblin and John Scribner will be seated at the May meeting. Dr. Griffith announced that Congressman Mark Kirk and the Consul General to Chicago, Xu Jinzhong, will be presenting information on the U.S. - China Engagement Agenda. This proposal will make significant improvements to accessibility of Chinese language programs in the United States. Harry also announced that the Alumni Wall of Fame would be held April 10. Dr. Griffith noted that legislation has been introduced to allow schools in North Chicago, Highland Park/Highwood and Glenview to enter into an agreement that would boost Impact Aid payments in Glenview and Highland Park/Highwood from \$600 to \$6,000. The legislation would ensure that North Chicago schools will maintain their status, guaranteeing \$7 million in federal aid to North Chicago schools.

Education Committee

Mary Ritter opened her remarks with a farewell to the school community, as she will retire from the Board in May. She stated it has been a privilege to serve as the Chair of the Education Committee and be on the Board for the past 9 years. Mary stated that she has been associated with the high school for over 20 years, and thanked the excellent faculty, students, administration and support staff for all they do on behalf of the students.

Dick Block reported that the committee is researching the possibility of offering Mandarin Chinese at the high school. This study is being done in conjunction with Lake Forest District 67 and Lake Forest College. He noted that the committee is looking for methods to improve reading proficiency for our students that need additional assistance. A new course entitled Strategic Reading will help students strengthen reading skills. The committee approved summer workshop proposals, and new textbook selections. The committee will also review textbook costs and student fees.

Operations Committee

Marilyn Harlow reported that the committee is monitoring the construction schedule. She noted that the project is tracking on schedule and budget. The committee endorsed the recommendation to extend the contract with Olson Transportation. She reported the committee is exploring potential options for non-tax revenue for the high school.

Finance Committee

Tom Neri noted that the committee discussed the bus transportation contract and tax levy extension. A report will be presented to the Board addressing 2006-07 budget projections.

Joint Shared Services (JSSC) Committee

Sharon Golan stated that the committee discussed a proposed K-12 Reading/Assessment Initiative presented by Dr. Julie Cooley. Julie noted that this initiative would seek ways to coordinate the use of current assessment data across districts for the purpose of instructional planning. The overall coordination of these types of activities K-12 would be beneficial to student learning and is consistent with the current shared service philosophy. The committee also reviewed a proposal presented by Kyle Schumacher to explore ways to enhance and improve technology services K-12. This proposed shared approach would increase effectiveness of educational technology and offer a unified vision by developing a K-12 approach.

The Lake Forest High School Counseling Department Presents:

Breaking Away

Tuesday, May 15

10:00 am

Raymond Moore Auditorium

Transitioning from high school to college life.

The APT cordially invites all Senior Moms to a Tea, immediately following Breaking Away in the Publick Room.

Thanks to the senior class...

... who doubled the Valentine's Day dance profits and donated them to the Mackenzie fund.

The following is a letter to the Senior Class from teacher, Steve Johnson:

*"I just wanted to take a minute and say "Thank You" to the senior class for their overwhelmingly generous donation to **Hope for Mackenzie**. I was hoping to be able to thank you in person, but I am currently in Cincinnati with Mackenzie as she is undergoing another round of chemotherapy. I continue to be amazed by the outpouring of support for my family by the Lake Forest community. It is very difficult to put into words the gratitude we feel, but please know you have made a huge impact in the life of one very special four year old girl. Thanks again for help and kindness. If any of you are interested in keeping up with Mackenzie's progress, you can visit her website at www.caringbridge.org/ill/mackenzie."*

*Thanks again,
Steve Johnson*

NHS

The National Honor Society completed another successful year, volunteering up until the very end! A large group served as Election Judges on April 17 and enjoyed an eventful, yet long, day at the polls. Some turned right around on April 20 and volunteered their services at the Lake Forest Showcase and Gardens. The evening was raising funds for the Infant Welfare Society Medical Center in Chicago. The NHS members helped with various tasks throughout the night and a good time was had by all. In addition to these events, several NHS members routinely volunteer as tutors at the "I Have A Dream" foundation and as extra hands at PADS and other local soup kitchens. As the year came to a close, many members were present as the new members were inducted into the National Honor Society. The Junior Initiation occurred on April 18 and the current leaders have no doubt that next year's seniors will work to uphold the traditions and values of NHS.

Debate Team

Students' love of debate keeps them warm in frigid DC weather

Braving the frigid cold of winter in Washington DC, the LFHS Debate Team shined at the annual Junior Statesmen of America National Convention in our nation's capital. Joined by students from all over the Midwest and Southeast United States, twenty-eight debaters compiled the LFHS team.

Once at the convention, participants were split up into two "Houses," with more experienced veteran debaters filling the Senate, and the rest the House of Representatives. Congratulations to the following Senators: **Brad Weinberger, Bobby Graham, Elan Weisz, Mike Desnick, Ben Arnstein, Giancarlo Jacobs, Brandon Lesko, Sahil Shah, and Ellie Graham.** They were joined by Representatives **Ben Steadman, Marc Sethi, Brian Wang, Joe Arnstein, Dylan Gibson, Derek Morris, Anton Teubner, Nikhil Mulani, Leland Masek, Danielle Pullan, Emma Thatcher, Nate Balk, Kyle Flagstad, Nathan Mathew, Brendan Kim, Drew Desnick, Austin Lin, Will Haffner, and Kelly Stevens.**

For two days students spoke, asked questions, and voted. Much like the real US

Legislature, student Congressmen had the opportunity to introduce bills for debate. Lake Forest sponsored several bills, including laws eliminating speed limits, creating an American Foreign Legion, imposing harsher sentencing for espionage, and taking military action against Iran.

When the team was not busy debating, they had the opportunity to hear from a number of keynote speakers, ranging from Presidential Candidate Dennis Kucinich (D-OH) to Illinois Senators Barack Obama (D) and Dick Durbin (D). Also on the docket were Representatives John Conyers (D-MI) and Danny Davis (D-IL).

After hours of speaking, refuting, questioning, and voting, the team was ready to head home. **Mike Desnick** made the team proud by winning only one of eight awards for Best Speaker against over 400 competitors. In addition, the Junior Statesmen of America is the largest student-run organization in the nation, and much of this leadership comes from LFHS. **Ravi Mulani**, as Governor of the Midwest Territories, played a central

role in running the convention. Convention Coordinator **Mike Educate** acted as Bill Director, spending hours organizing all the legislation for the weekend. **Elan Weisz**, Senator of Illinois, served as Director of the Quiz Bowl Tournament. **Ben Steadman** played a central role in spurring debate as 'Whip' for the Democratic Party, and fellow debater **Ben Arnstein** helped orchestrate the tournament as Midwest Chief of Staff.

All members of the team, veterans and novices alike, will surely never forget this trip to Washington DC. Not only was it an excellent opportunity for students to meet with fellow debaters from across the country who share their love for politics and public speaking, but also to experience our nation's capital.

Pictured is Convention Coordinator, Mike Educate who acted as Bill Director.

Y.A.K.

Y.A.K. ended another fabulous year with its annual "Basic Bundles" toiletries drive. We are busy sorting our items and looking forward to creating and distributing the bundles next fall.

Y.A.K. would like to thank all of the people who donated toiletries this spring. We know that the airlines have tightened up their carry-on policies, so we greatly appreciate your thinking of us as you travel. Prior to our "Basic Bundles" collection, Y.A.K. (under the organization of **Brigid Bower**) successfully cut and presented "Project Linus" to the freshman/sophomore study hall classes the week before spring break. The project was also expanded and completed in various other classes and sports teams. Y.A.K. members worked diligently cutting approximately five hundred 8X8 inch squares for the project. In addition to Project Linus, we also held a cell phone and eye glass drive and are looking forward to participating in the Relay For Life walk this coming June. Again, we had a tremendously successful year and we would like to thank everyone for their continued support of our projects.

EarthWeek 2007

Made possible by: Environmental Club, Student Council, APT, LFHS Foundation, LFHS administration, and the community!

Sarah Mynhier is pictured at the Lake Forest City Council meeting where she explained Earth Week and Mayor Rummel read a proclamation giving the City's support to our efforts.

The Men's Club volunteered to help the Environmental Club with the Courtyard Garden beautification project.

City of Lake Forest recycling truck - funded by the recycling of residents - helped with recycling of water bottles at LFHS.

Students planted native plants along the stretch of bike path that runs alongside the campus. Open Lands volunteer coordinator and LFHS grad Jill London worked with the students.

Students attended the dedication of Courtyard Garden and displayed the landscaping plan.

Students who brought in Nalgene bottles were provided stickers to decorate and personalize the bottles!

Students participated at workshops at the Conference Art Festival.

Art Department

The North Suburban Conference Art Festival

The North Suburban Conference Art Festival was held Thursday April 12, at Vernon Hills High School. Lake Forest High School, along with the other 13 schools in our athletic conference gather together annually for a one day celebration of the arts. Each school selects 60 works of art to display. Seven students accompany art teachers from each school.

These students are responsible for setting up the art show display, participating in art related workshops and the striking (taking down) the art show. There are 10 blue ribbons awarded to students from each school.

Lake Forest High School Booster Club Grant Program for Summer Athletic Camps

Eligibility: All current freshmen, sophomores, and juniors attending Lake Forest High School who participate in a recognized interscholastic sport and who are planning to attend a sports camp (including camps sponsored by LFHS and the Lake Forest Recreation Department) during the summer of 2007 are eligible for a LFHS Booster Club Grant.

Application Process: The process is simple...one-page application, one interview and one letter describing the students experience at the camp. Visit the athletic office to pick up an application and sign up for an interview with the Grant Committee. Interviews will take place May 16 and 17 in the Public Room. You must attend the interview in order to be eligible for a Grant. **All applicants will be interviewed.**

Amount of each Grant: The amount of the LFHS Booster Club Grant is based only on the actual cost of the camp. If you plan to attend multiple camps, the LFHS Booster Club Grant will be based on the cost of the most expensive camp. A student's grant will equal 50% of the cost of the camp, up to a maximum of \$150.00.

Please call Brian Vandenberg at 312-961-3807 or any member of the Booster Club with questions concerning Lake Forest High School Booster Club Grants.

External Credit Policy

LFHS reserves the sole right to grant credit for work completed at or through other institutions. Approval of requests for credit for external work that has not been approved in advance through this process is not guaranteed. External Credit Applications, along with instructions, are available in the Counseling Department or on the web site www.lfhs.org (Click Counseling and Student Services, then Counseling.)

College Resource Center

Reminder: AP Testing

AP Test dates are May 7-18.

The 3rd page of the registration form is the AP test schedule. This can be found at www.lfhs.org under "Counseling & Student Services."

Seniors need to inform the CRC of final college decisions!

Make sure to stop by and let Mrs. Andersson in room 103 know the status of ALL college applications (**admitted, denied, wait list etc.**)

Testing Calendar for ACT/SAT can be found on-line at www.lfhs.org

Health Services

Students who have diabetes, asthma and severe allergies are allowed to carry on their person in school: insulin, glucose, asthma inhalers, Benadryl and an epi pen. However, a **Medication Authorization Form** must be on file in the Health Office. These forms are in the Health Office, Front office or may be downloaded online at the school's web site. You will find these forms online under "Counseling and Student Services: Health Services." Students are not allowed to carry or have in their lockers any other medications including Tylenol and Advil. Any further questions? Please contact Nurse Diane Bower at 847-582-7335.

Wanted:

Used wheelchair in workable condition for the health office. Please Call Nurse Bower at 847-582-7335.

Dean's Office

Reminder from the Dean's office Lake Forest High school is a closed campus.

Students are expected to be on campus for the entire school day (7:50 am - 3:10 pm).

Absences

Parents need to seriously consider whether or not the reason for the student missing instructional time is warranted.

An absence can not be excused if a student leaves campus without prior parental notification to the attendance or health office.

If you are dropping off anything for your child to be picked up....

please take to the Attendance/Dean's Office, Rm 107.

If a student is to be excused for an important appointment during the school day, the following procedures must be followed:

Parental permission in the form of a note or phone call must be presented to the Attendance Office. A dismissal pass for the teacher will be issued to the student if he/she must leave during class. The student is responsible for securing the pass from the Attendance Office before that class period. **Lake Forest High School does not page students.** A student supervisor will be sent to a class for a student if necessary, however if a student is aware he/ she is leaving for an appointment and has secured a dismissal pass, the pass is handed to the teacher and the student then signs out at Attendance.

Whenever a messenger is sent to a classroom or a student must be reminded of a dismissal classroom instructions are interrupted. Students must sign out at the Attendance Office and sign in upon return.

Freshman and sophomore students must sign themselves out in the presence of a parent. They may sign back in to school on their own.

Foreign Language

Congratulations to French Students!

This March students from Mme Heather Song and Mme Laura Sperling's French classes participated in Le Grand Concours. This is a national French exam given to students at all levels of French. Le Grand Concours is a difficult exam which tests a student's knowledge of grammar, culture, and vocabulary with an extensive listening section. Students are also asked to read short passages and answer questions. This year the Chicago area / Northern Illinois chapter had 5,000 students participate in the exam! We are proud to recognize those students who were ranked in the top 15. From Mme Sperling's 2 Honors classes: **Claire DiMario, Tylee Lin, Caroline Williams, and Joe Arnstein.** From Mme Sperling's 4 honors class: **Andy Quinn and Rachel LaFortune.** From Mme Song's 5 Honors classes: **Alex Bennatan, Fiona Cary, Tim Bennatan, Catherine Ho, and Sarah Wagener.** Also from Mme Song's 3 Honors class special recognition goes to **Jeffrey Neidermaier** who received a perfect score and #1 ranking.

Congratulations to all of our wonderful French students!

Student Service Opportunities

“Open Doors” provides students hands-on learning opportunity

This year the high school’s job shadowing and service opportunities days, called the ‘Open Doors’ program, was held April 25-27. This program sponsored by LFHS, the APT, and the Volunteer Center of LF/LB offered students career exploration with a mentor at their place of work. This year we had students attend court with the State’s attorney’s office, ride with a veterinarian in her mobile surgery, view public relations through the eyes of a producer at Channel 11, go on assignment with reporters from the Lake County News-Sun, see the Hospitality business first hand with an executive from the Marriott Corporation in Chicago and a successful local restaurant owner, work with architects and engineers at on site locations, experience municipal government with the Shields township supervisor, join classes at the Trococi University of Beauty Culture, work with teachers at local elementary schools and other exciting career potentials.

Along with the career opportunities, students were able to choose from a variety of service options. The Boys and Girls Club of Lake County, C.O.O.L Food Pantry, Elawa Farm Gardens, the Equestrian Connection, Youth Build, LF Open Lands, Ragdale, Reading Power and the Historical Society of LF/LB were some of the choices made available for our students. Many students choose both a career option and community service.

The high school and the Volunteer Center are planning a summer program of career mentor and volunteer service for June. A brochure will be mailed home in May.

For more volunteer opportunities, check out www.lfhs.org under “Student Service Opportunities”

Special Education

Congratulations to **Kim Jones**, instructor for 7th period English 1/ Reading class. Her class was honored by the Northern Suburban Special Education District at their School Board meeting on April 11, 2007. The class received a student recognition plaque for their hard work this year to improve their reading. The class participated in a researched based program of instruction and reviewed charts of their progress twice monthly. They learned and practiced new strategies to help them read multi-syllabic words. As a result of their effort, on average the students read 22 words per minute better than when they started. The expected growth is a respectable 12 words per minute, so our student almost doubled in their growth. Just think - for any hour of reading these students need to do, they will be reading 1320 words more than they could before learning the new strategies!

Department News

Photographs and videos of students and staff are taken throughout the year to be used for newsletters, newspapers and other District 115 publicity purposes. We film various events for local viewing on LF Cable TV. The videotapes and photographs shall not be used by the school district for commercial purposes or for monetary gain. If you do not want your child photographed for District 115 use, you must submit, in writing, a statement to Dr. Harry Griffith, Superintendent of Schools.

Book Buy-Back 2006-07 School Year

Book Buy-back will be held at **Lake Forest High School West Campus in Room 150** on the dates and times listed below:

Thursday, June 7, 2007 12:00 pm - 3:00 pm

Friday, June 8, 2007 9:00 am - 3:00 pm

Criteria for 2006-2007 Book Buy-back. Please read carefully:

- Student and/or parent may go through the process only once per student
- Student and/or parent must have all the textbooks from the student's schedule at one time.
- Textbooks being bought-back **must** match the student schedule for courses taken during the 2006-2007 school year **only**.
- Textbooks are to be thoroughly cleaned-out prior to the Book Buy-back procedure to ensure a continuous flow. If the textbooks are not cleaned-out, the student may be asked, by the appraiser, to move aside and clean-out his/her textbooks before having them appraised.
- There will be a "Used" textbook dealer on site who may be interested in buying, from you, any textbooks you were not able to sell back to LFHS.

APT

Calling all Artists!

Your artwork could adorn the cover of the 2007 - 08 LFHS Student Directory! The APT invites your submissions. The cover this year will be BLUE. Cover designs should be done in black/white/grey using ink and can be any size - the final cover size is 8.5 x 11 inches, folded in half to 8.5 x 5.5 inches. The design should relate in some way to Lake Forest High School. Please drop your submissions (with your name on the back) in the APT mailbox in the faculty/staff mailroom. All entries are welcome. A prize will be awarded for the cover design that is chosen (as if having your design on the cover weren't enough!). Questions? Please call Beth Coughlin 847-615-1564 or e-mail laowang9@comcast.net.

LEAD

LEAD is a community organization dedicated to parents and their role in promoting healthy family relationships, the prevention of alcohol, tobacco and drug use and other risky behavior by youth. The organization provides a new and innovative approach to educational opportunities for parents to assist in raising children who can make good decisions.

Upcoming Events for Parents from LEAD

Adolescents and Alcohol: What Everyone Should Know

Alcohol and other drugs impact brain function and behavior differently during adolescence than during adulthood. Dr. Aaron White, from Duke Medical Center, will discuss the latest research on adolescent substance abuse, brain development, and the impact of alcohol on behavior and brain function. He will share strategies for using this information when talking to teens about the risks of alcohol use. Sponsored by LFHS APT Parent Awareness, District 67 APT, Lake Bluff PTO and LEAD.

May 1

7:00 pm - 8:30 pm

Gorton Community Center.

Students welcome.

Staying Safe at College—Workshop for Young Men and Young Women

This interactive seminar will address the issue of personal safety and sexual assault. Hear from prosecutors from the State's Attorney's office, real life survivors, and self defense experts how to keep safe in the new environment of college. Young men will meet separately from young women, with information tailored to the needs of each sex. This is a must for kids headed off to college in the fall. High school juniors and current college students also welcome. Sponsored by CROYA, LEAD, and the YWCA.

May 19

11:30 am - 1:45 pm

Gorton Community Center

RSVP to LEAD with \$10 registration fee. Lunch included.

Underage Drinking Task Force

This Task Force needs you! Its purpose is to bring the community together to address the high level of alcohol use and abuse by our local teens. In addition, the recent tragedies in Deerfield and in Lake Bluff have underscored the risk to our youth when they drink. The group, composed of representatives from a broad cross-section of the community, will examine various strategies that have been used around the country and devise strategies that we believe will be effective in Lake Forest, Lake Bluff and Knollwood. Call LEAD at 847-295-9075 to volunteer to help.

**Mark A. McMahon
(1968)**

Mark McMahon is one of America's most versatile and successful artists. His paintings and drawings are regularly exhibited in museums and galleries in the United States and abroad, and have also appeared in print and video media. His documentary paintings of the launching of the Space Shuttle for NASA have been exhibited at the Air and Space Museum of the Smithsonian Institution. His most prominent displays are in the Chicago area and include a ceramic tile mural at the Chicago Tribune Freedom Center, a ceramic tile mural at the corner of Van Buren and Federal Streets, and an 8' x 110' ceramic tile mural at Lake Forest High School Cafeteria and at the McDonald's restaurant on Waukegan Road in Lake Forest.

David Miller (1962)

David Miller presently serves as the Theatre Manager and the Faculty President of the Cum Laude Society at Lake Forest High School. David was on the LFHS faculty for 35 years as a Spanish teacher, Theatre Technical Advisor, and Director of Telecom. He was a part of the original Telecom Faculty, creating the TV Production and Animation Courses and was the advisor for the Auditorium renovation and the David Miller Theatre construction. He was the school's original Webmaster and helps coordinate and stage major school events.

**Susan Gernert Adams
(1974)**

Susan G. Adams is a National Producer for Dateline NBC, the news magazine program. Ms. Adams graduated from Colby College and is a four time Emmy Award winning television producer who has traveled throughout the world for NBC and ABC News. Susan worked for the 1988 Summer Olympics, Nightline, and PrimeTime Live.

**Barry J. Byrne, M.D.,
Ph.D (1974)**

Barry J. Byrne, M.D., Ph.D. is the Virginia Root Sutherland Professor of Pediatrics. As a member of the Graduate Faculty and Department of Molecular Genetics and Microbiology and Director of the Powell Gene Therapy Center, he is actively involved in laboratory research, as well as a pediatric cardiologist involved in clinical care. His laboratory has developed novel genetic therapies for cardiovascular disease, such as a form of fatal cardiomyopathy in children, known as Pompe disease. The disease is characteristic of many muscle diseases which lead to skeletal and cardiac muscle weakness. He has used AAV vectors to achieve sustained correction of the gene deficiency in Pompe disease models and the strategy is being proposed for human clinical trials. He also studies the use of cell therapy in the treatment of other cardiovascular conditions both in adults and children with heart problems that are not treated by the usual means.
