LFHS Class of 2014 Registration Process for the Class of 2014 is now in progress. A mailing has been sent to all incoming students in the Class of 2014 with information on the registration process as well as specific dates and times of events. Counselors will visit individual feeder schools to discuss the registration process, handout packets to students, and meet with parents. Parents and students will also be invited to LFHS for an evening Curriculum Orientation: counselors will provide an overview of the registration process and share a variety of patterns of courses possible for your four-year plan; and in classroom format, faculty members will answer questions and present specific information about course offerings. Please note that parking is at a premium so shuttle bus service will be provided from both the Lake Bluff and Deer Path Middle Schools. In February families will have the opportunity for consultations and adjustments to Core course level changes. A complete schedule can be found at www.lfhs.org.

The APT sponsored Talent Show 2010 auditions will be held on Saturday, January 23 and Sunday, January 24 in the Raymond Moore Auditorium. Students should complete an audition application by Friday, January 16. Applications are available from Brad Balonick at the Technology Help Desk.
