Each year, teenage students count down the days until prom, what they consider to be one of the most important nights of their young lives. Sadly enough, prom, in many cases, is the last night of their lives. According to the U.S. Department of Transportation, on average, 5200 teenagers are injured and 48 are killed in automobile crashes nationwide during a typical prom weekend. Over 800 Lake Forest High School Students and their dates attend the LFHS Prom. In addition to promoting students' safety and with a longstanding tradition of zero-tolerance for drug and alcohol, Lake Forest High School requires students to travel by bus to and from prom. The Junior Class funds these buses to promote a safe and enjoyable night for all. This year, it is estimated that 18 buses will be used to transport prom-goers at an estimated expense of \$23,000. The Junior Class works diligently to raise funds for prom through ticket

sales, shared proceeds from the “Be True to Your School” auction and various other activities. However, the Junior Class cannot raise enough money to cover the entire cost of the buses. Recognizing this, it is our hope that with additional parent and community donations, we will be able to continue providing safe transportation to this year’s prom for all of our students. We are asking you to please help in supporting “Project Safe Prom 2010” by contributing to our fund. A donation form is available at www.lfhs.org.
