Members of the National Honor Society have been busy this summer. NHS vice-president Patty Zicarelli organized volunteers for “Maxtravaganza,” an auction that raises money for heart testing at the high school in memory of former LFHS student Max Schewitz. Students also volunteered at the Relay for Life event at Lake Forest Hospital, Lake Bluff 4th of July celebration, and helped serve lunches to children at the Holy Cross food pantry in Waukegan. By far the biggest summer volunteering event was Lake Forest Days. Students helped the American Legion serve food and organize the parade participants. NHS president Rohan Mehta and many other volunteers helped make Lake Forest Days a success. In spite of their busy schedules, members of the National Honor Society can be relied upon throughout the year to serve their school and community.
