Lake Forest Community High School District 115 is currently seeking an interested and qualified community member to serve on the district Finance Committee. The School Board relies heavily on its standing committees, and the committees in turn value greatly the perspectives, participation and contribution of their community members. We are hoping to find a person whose talents and interests will complement the existing members. This Committee provides oversight to all major District revenues, expenses,

investment practices, and policies and practices related to the management of District finances. The Committee shapes strategic directions for finance and monitors all policies related to the financial administration of District 115. The Finance Committee meets once a month throughout the school year. If you are interested in applying, please [complete an application](#) (found at [www.lfhs.org](http://www.lfhs.org)) by this October, 1, 2009. If you have questions about the process or about what is involved in serving as a member of the Finance Committee, please contact Pam Burke, Board Clerk at 847-604-7420 or [pburke@lfschools.net](mailto:pburke@lfschools.net).
