

On behalf of the National Junior Disability Championships and the Great Lakes Adaptive Sports Association (GLASA), the host organization, we would like to thank Lake Forest High School for all its support in making the 2010 games a success. The highest accolades were given on our facilities, staff and volunteers by the athletes and their families who represented 34 states and 3 countries. Supported by the United States Paralympics and World Sport Chicago, this was the largest multi-sport competition in the country for athletes ages 7 thru 22 who have a physical or visual impairment.

Special thanks to Kathy O'Hara and Weston Terrasse for organizing more than 200 LFHS student volunteers, we could not have managed without each of you.

Thank you Tim Burkhalter, Jill Murphy and the entire Athletic Staff for the extra efforts you made to make this a very memorable week for these young athletes.

Carolyn Grevers, Linda Koepke and the pool staff, we so appreciate your support for the best swim competition in NJDC history.

Anne Whipple and the Board of Education thank you for all the support you provided, before, during and after the games.

Finally, the facilities were pristine due to the many hours that Harold Hall and his maintenance staff gave to assist us at every turn. We could not have done it without you!!

Hope to see all of you at our upcoming Twilight Run, Walk and Roll on Saturday, September 11.  
Cindy Housner and the GLASA staff
