

APT

Lake Forest High School Association of Parents and Teachers

All Parents Together...

The value of our Parent Volunteers at LFHS is an incredible treasure and direct component in what qualifies our high school as “exceptional.” It is through volunteers who serve on APT committees that we are able to touch the lives of so many students and faculty. We are the helping hands and support system serving teachers, staff and ALL students at LFHS. APT in turn continues its work to promote a positive educational experience for ALL students of LFHS.

You can find all the latest news from APT, along with important forms and event dates, at the LFHS website, <http://www.lfhs.org/parents/apt.html>. Our monthly meetings are open to everyone and the minutes are posted on the website. Please consider being an APT Member and Volunteer. In addition to our scheduled events, we are continually called upon by the administration, teachers and students with new opportunities to enhance the educational environment of LFHS. With your help, the APT will continue to provide the support our students and faculty need to achieve their greatest potential.

Please join us this year; there are so many exciting opportunities to stay informed and involved. As an APT Volunteer you will experience the Scout energy, foster friendships and have fun.
