LFHS Web-Based Account Passwords

LFHS provides many web-based programs to help in the communication between parents and D115, which are listed below. It is important that parents/students establish accounts for each of these programs to stay informed. Please print this form to record your accounts and password information for both student and parent accounts and keep for future reference. Remember to update each account annually! All links and descriptions/uses for the following accounts can be found at http://www.lfhs.org/quicklinks/technology_resources.html
