Dear Lake Forest High School Parent:

In an ongoing effort to support our students, we will administer the Social Norms Marketing Survey (December 8th and 10th) and The Illinois Youth Survey (March 8, 9, 11, 12, 2010). LFHS works hard to develop programs for the emotional wellness of our students. These surveys assess the school, guiding future prevention programming decisions to educate and nurture the whole child.

All responses are anonymous. Your student may skip any question, or stop taking the survey altogether at anytime. Students will be reminded of these options before the survey is administered. These surveys are voluntary; however a high rate of participation provides the most valid results. A blank copy of each survey will be available in the Main Office at the school if you would like to review it.

If you choose **not** to have your student participate, please complete the form below, and drop it off in the LFHS Main Office by December 7th. Your decision will not, in any way, influence you or your child's relationship with Lake Forest High School.

As always, we appreciate and value your support! .
