Parent Information Sheet

Dear Parents(s):

Your son or daughter is engaged in the post high school planning process. Because it is a highly personal venture, your son/daughter's counselor needs more of an in depth profile. Please give me your thoughts and feelings about your child. Be funny; be serious; be honest; be proud. The more I know, the better I can help your son/daughter select appropriate schools and represent him/her in the process. Your comments will be kept totally confidential. If you prefer to use a different format for this information, a narrative or essay format on another sheet of paper, please feel free to do so. Thanks for your help.
